ANUVRAT CREATIVITY CONTEST 2023

THEME : ASLI AZAADI APNAO

At the time of independence of the country, Acharya Tulsi, the originator of the Anuvrat movement, had given a call to the people of India to 'adopt real freedom'. He believed that as long as every citizen is free from violence, immorality, bigotry, casteism, superstitions, blindness, corruption, he will not free himself from such evils. The people will not be able to get the right benefits of the freedom that the country has got. He gave the formula of restraint as a solution and on March 1, 1949, started the Anuvrat movement. The 'Amrit Mahotsav of Independence' today reminds us of the same call of Acharya Tulsi. On the occasion of Amrit Mahotsav of Anuvrat, let us resolve ourselves towards real freedom and make the mission of Shreshtha Bharat a reality.
